Inductive Bible Study Class | January 25th 9:00 AM

Join us on January 25th for a special class to learn how to do your own inductive Bible study. It will help teach you to dig into the Word so that you can hear what God has to say in the Bible. Bring a Bible, notebook, and pencil as we use this method to explore the 23rd Psalm. You may be surprised at the insights you uncover in this familiar Psalm.
